

**Memphis/Shelby County
Household Hazardous Waste
Collection Facility
6305 Haley Rd.**

Questions & Answers

Q: What is the address of the facility?

A: 6305 Haley Road (See map)

Q: Where can I get information regarding the operation of the facility?

A: For information regarding Shelby County's operation of the facility contact Shelby County Roads and Bridges or other persons designated by Shelby County. For information related to the subcontract with Shelby County and regarding use of TDEC grant(s) funds contact Andy Ashford, City of Memphis Public Works, 576-6868.

Q: What are the days and hours the public can bring material?

A: 8:30 a.m. till 1:00 p.m. Tuesdays and Saturdays

Q: What procedures do residents need to follow at the facility?

- A: 1. The facility is a drive through operation located at 6305 Haley Road (directly behind the Tennessee Bureau of Investigation). (See map)
2. The drive leading to the fenced facility is located on the south side of Haley Road, just past the stop sign at Haley Road and Nixon Road. (the Shelby Co. Correction Facility is across the road from the entrance)

3. Vehicles will proceed on a paved drive approximately 75 yards from Haley Road to the gates of the facility.
4. The road will be marked with arrows for residents to follow.
5. Vehicles will proceed in line until told to stop.
6. Residents are to remain in their vehicle, unless otherwise instructed.
7. Facility staff will remove the material from vehicles.
8. Upon unloading, vehicles will proceed slowly, following the marked drive, which circles the building and brings the vehicles back through the gates, to Haley Road.
